THE PROPERTY

A semi-detached house built in the late 1960's/early 1970's and subsequently extended three times with useful utility room addition, a large conservatory and a loft conversion with fifth bedroom. Now providing a most spacious and well-proportioned family home. The property has the benefit of double glazing and gas fired central heating, there is also a privately owned solar electric heating system set up on the original high feed-in tariff with controls located in the garage. A property that truly must be viewed in order to be fully appreciated.

LOCATION

Set in this prime popular established residential area of Derriford where there are a variety of local services and amenities. The position lying close to Derriford Hospital and Business Parks and convenient for access into the city and nearby connection to major routes in other directions.
